

Medical Translation Experts *for* CROs

A heart for medical translations

BECAUSE WORDS MATTER

WHAT IS MTEC?

MEDICAL TRANSLATION EXPERTS FOR CROs

Our team consists of a group of translators who have joined forces to offer CROs a comprehensive package of services for the translation of documentation in the field of clinical research.

TRANSLATORS WITH A HEART FOR LANGUAGE AND FOR PATIENTS

All translators associated with MTEC have an affinity with medical research, along with the desire to contribute to its success in the form of clear documentation specific to the target group. While AI is being increasingly deployed to save costs or time, we concentrate on offering quality so your documentation is accurately and correctly conveyed in the appropriate language – exactly how you wish it to be.
